

LAKE MICHIGAN C O L L E G E

Math Instructor

Lake Michigan College is a comprehensive community college situated on the shores of southern Lake Michigan. The region provides a unique blend of resort-style amenities and a diverse economic base. The College's district is home to the world headquarters of a Fortune 150 company, nuclear energy production, agriculture, and tourism. Recognized for its many beaches, nationally acclaimed golf courses, a flourishing wine industry, the region also provides a wide range of cultural, educational and professional opportunities for families. The College is within 90 minutes of downtown Chicago. The University of Notre Dame and Western Michigan University are within 45 minutes of the LMC campus.

Lake Michigan College is a dynamic institution offering over 100 degree and certificate programs through three campuses and a Technology Center. The College was recently named one of the country's 50 fastest growing community colleges within its size range and is strongly committed to recruiting and retaining a diverse faculty, staff, and student body.

LMC enrolls approximately 7,000 students annually and is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools (HLC). It has an annual budget of approximately \$29 million.
