Instructor of Mathematics (Developmental), Job 000554

Employee Group:	Faculty - Full Time
Bargaining Unit:	Faculty MCCFO
Position Code:	FINSPMATH1
Assignment Location:	South Campus
Position Type:	Regular
Salary Range:	\$50,875 - \$63,297
Department:	Math

Job Description:

An opportunity to join the Mathematics Department of a premier community college. Primary responsibility will be to provide leadership for the developmental program, teach developmental mathematics courses, develop and modify curriculum, refine and modify course syllabi, and identify required teaching materials.

QUALIFICATIONS:

Academic Credentials: A master's degree in Mathematics required. If you are offered a position, official transcripts must be provided before you begin working.

Academic Preparedness: A comprehensive knowledge of the mathematics discipline, providing a foundation for effective teaching and learning, must be demonstrated by a degree, participation in professional associations, papers, teaching, research, or professional development.

Experiential Background: Relevant teaching experience assuring up-to-date skills in the discipline. The successful candidate will be prepared to teach the entire range of courses offered at the College. Aside from developmental mathematics, experience teaching mathematics for education or statistics or mathematics for business is preferred.

Written/Verbal Presentation Skills: If invited for an interview, a teaching demonstration will be required. You will be expected to make a 20 minute classroom presentation designed for a student audience.

Technological Proficiency: Calculator skills necessary. Computer skills desirable.*

Curriculum Development: Knowledge of relevant curriculum development and demonstrated ability to design or revise curricula to maintain relevancy and meet changing needs. *

Assessment: Knowledge of and demonstrated ability to assess learning outcomes. *

Leadership Potential: Experience in active leadership role(s) or activities.

Learning Theory and Practice: Knowledge of, or commitment to learn and use, concepts and practices promoting effective teaching and learning.

Pedagogical Flexibility: Knowledge of, or commitment to learn and use, a variety of pedagogical tools to enhance learning by students with varying backgrounds and learning styles.

Shared Governance: Knowledge of the concepts and practices of academic governance, including employee involvement and individual accountability.

* This standard may be waived at the time of hire, but the newly hired teacher will be required to prepare a plan with the teacher's supervisor designed to achieve the standard by the end of the probationary period.

WORK HOURS: This position is scheduled to start August 2010.

To Apply: Visit www.Macomb.edu/Jobs for our online application system and search by job number. Have required documentation ready to upload. If you have any concerns during the process, call 586.445.7885.
